Spring 2020

Dear 'Great Food Walk' Friends,

We hope this finds you well and that the new season is offering up signs of spring in your neighborhood.

Over recent days we have been weighing carefully the health and safety of our entire Great Food Walk community (volunteers, walkers, and friends at the hosting site) with the real and current needs of clients at Loaves and Fishes and Sharing, Inc. So with painstaking consideration, we have decided to change the Great Food Walk from a crowded event on April 10th to a virtual walk where we can all walk individually or in small groups between now and April 10th.

So, in the spirit of community action to help address needs-especially now in this moment-we are making an appeal for you to take up either a virtual walk or a walk on your own time where you like between now and Friday, April 10th. Please choose a safe place to walk.

With this energy harnessed we can all still make a difference. Your and your sponsors' donations are most welcome! You can make donations on-line at **gfwalk.org** or by returning the enclosed GFW envelope and slip. We extend a gracious thank you for your participation and generosity!

Warmly,

Jeanie Colony &
Becca Day Newsham
co-chairs
